

Lester River Race Registration:

Thanks for your interest in participating in the Lester Race. Before registering, please make note of the following:

1. Because the Lester is snow-melt dependent, the race date may not be determined until within just a couple days of the event. We will do our best to provide the race date as soon as possible, but it is impossible to plan too far in advance.
2. You MUST have paddling experience on race course before the race. If you have not paddled the river in the past, you may still register with the understanding that you will need to find time to pre-paddle the river before the race.
3. You will register for the dates you are available. You will not be put on the run order for any dates you don't select, and your check will not be cashed if the race is held on a date you don't register for.
4. Paddling class V is dangerous. Paddling class V at potentially high water is more dangerous. Racing class V, possibly at high water, is stupid. Don't register to race unless you take that into consideration and accept the consequences of your decision.
5. Depending on the number of available safety kayakers, racers may be grouped into two heats, with approximately 30 minutes between the last racer of the first heat and the first racer of the 2nd heat. If required, all racers will be expected to be on the water in an assigned location as a safety boater during the heat they are not racing.
6. In order to keep things relatively fair, and for safety considerations, your boat must be a traditional "creek" boat design and less than nine feet long. We do not have a "long" boat class.
7. You must either be an ACA member, or pay a one-day membership for \$5

Name: _____ Sex: M / F

Registration Fee: \$20 before race date, \$25 same-day registration
ACA Membership # _____ Or one-day ACA membership: \$5

Total: _____

Possible Race Dates: Check only the dates you are available to race. You are not committed to any of these dates if you cancel up to the day before the event, for a full refund. This simply helps the organizers put together a start list.

Saturday March 18 _____	Saturday March 25 _____	Saturday April 1 _____
Saturday April 8 _____	Saturday April 15 _____	Saturday April 22 _____
Saturday April 29 _____	Saturday May 6 _____	Saturday May 13 _____
